FROM A SWEET CHICKEN, TO A SWEET
FOX. I WISH YOU LUCK AFTER GRADUATION
AND I HOPE YOU FIND YOUR POT OF GOLD AT THE
END OF YOUR RAINBOW. KEEP IN TOUCH (966-8104)
AND TAKE CARE.

LUV
Peter Martin

Bobbi,
I really enjoyed getting to know you this summer & then we got to know you much, much better. Maybe we can get together before I leave for the service. We could go to the beach or go out to dinner & whisper sweet nothings to each other. We could go away for a weekend & get very cozy next to a fire, then we can embrace each other, & then we can XXXXXX !!!! Oh Well! I wish you luck in everything you do in life. If you ever get lonely the best of luck & a great life. If you ever get a great summer & have no one else to talk to, give me a call at 867-9514. Please!!! Have fun this summer & for the rest of your life. Love Always, Ellen J.

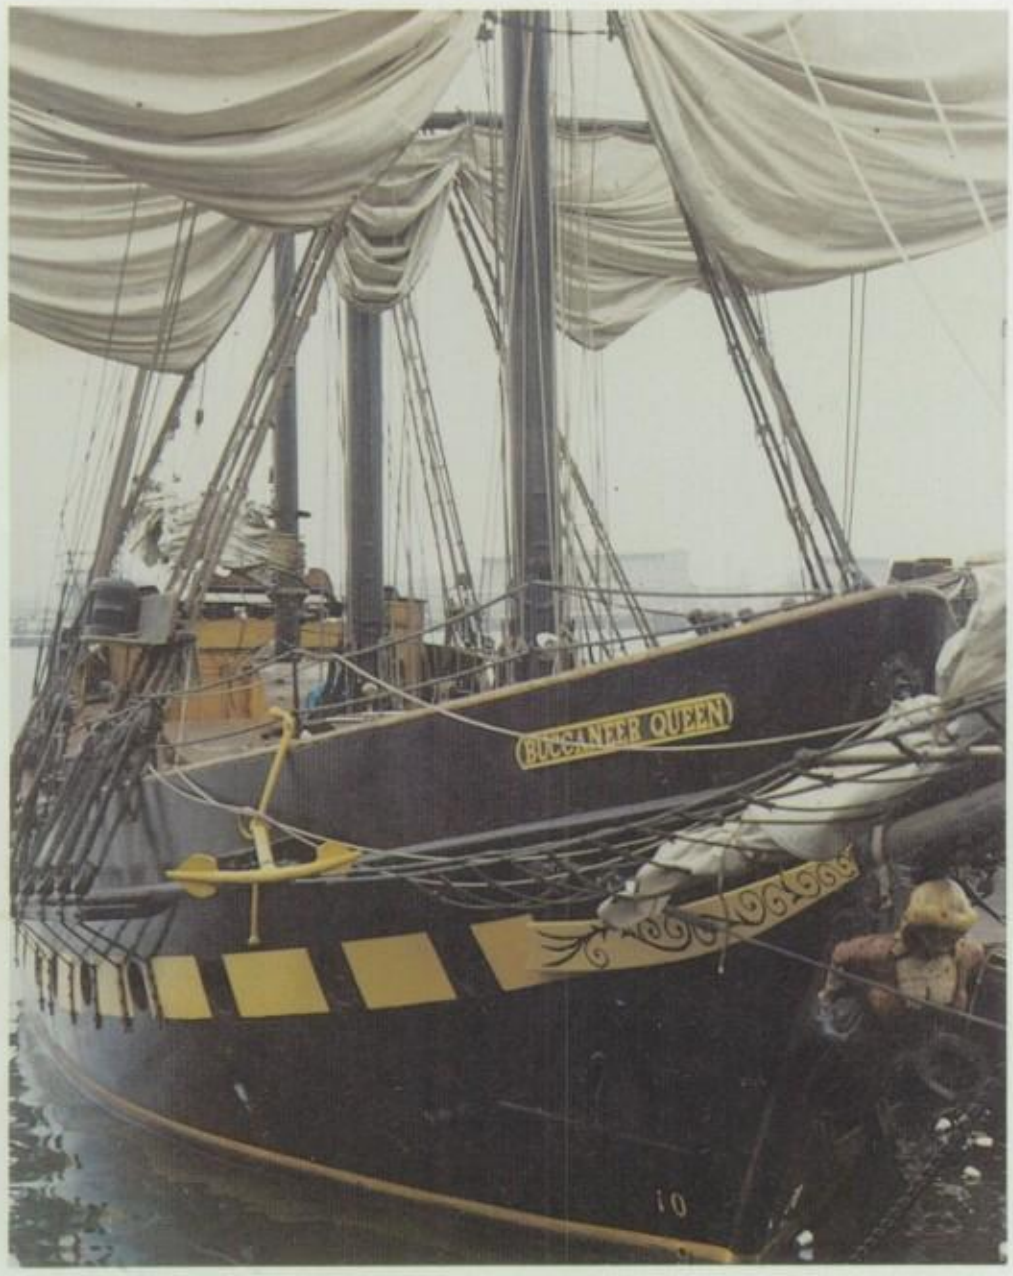
We've pulled our anchors



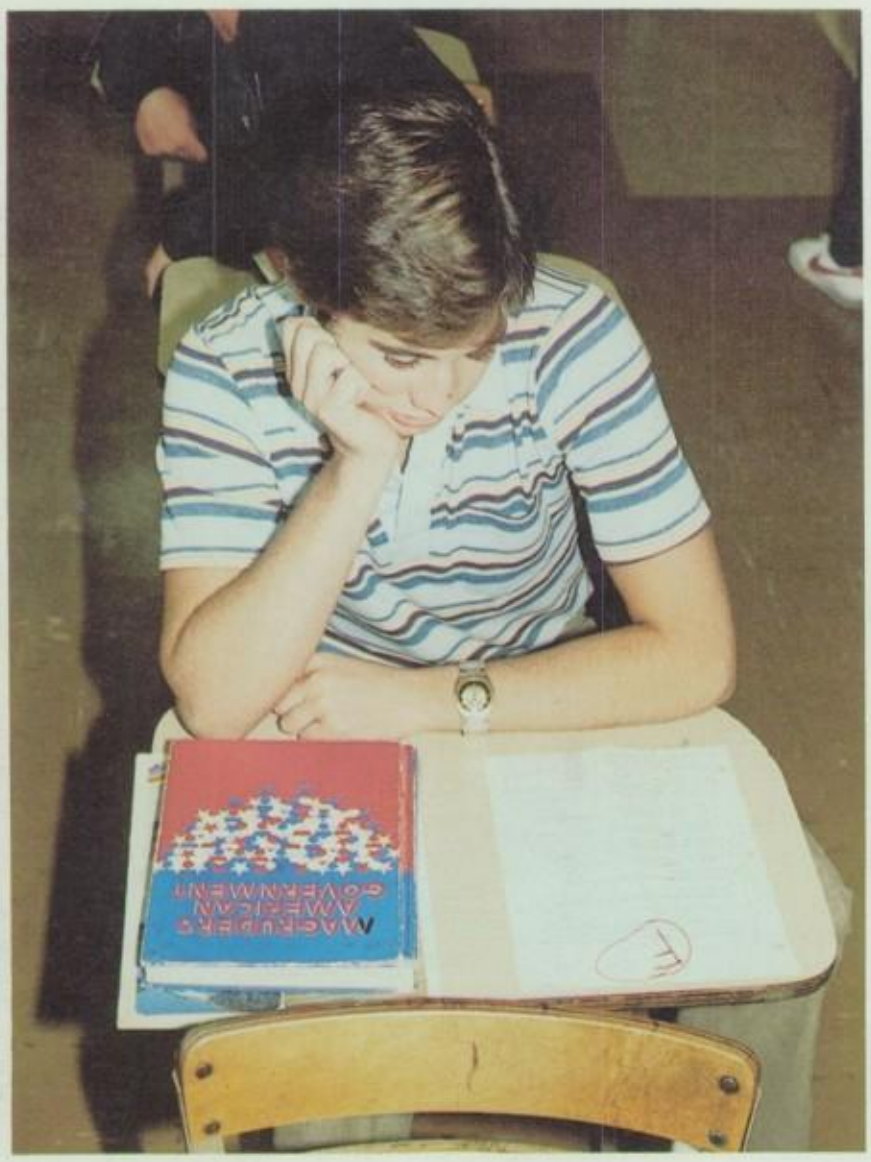
We're underway

And some for the day

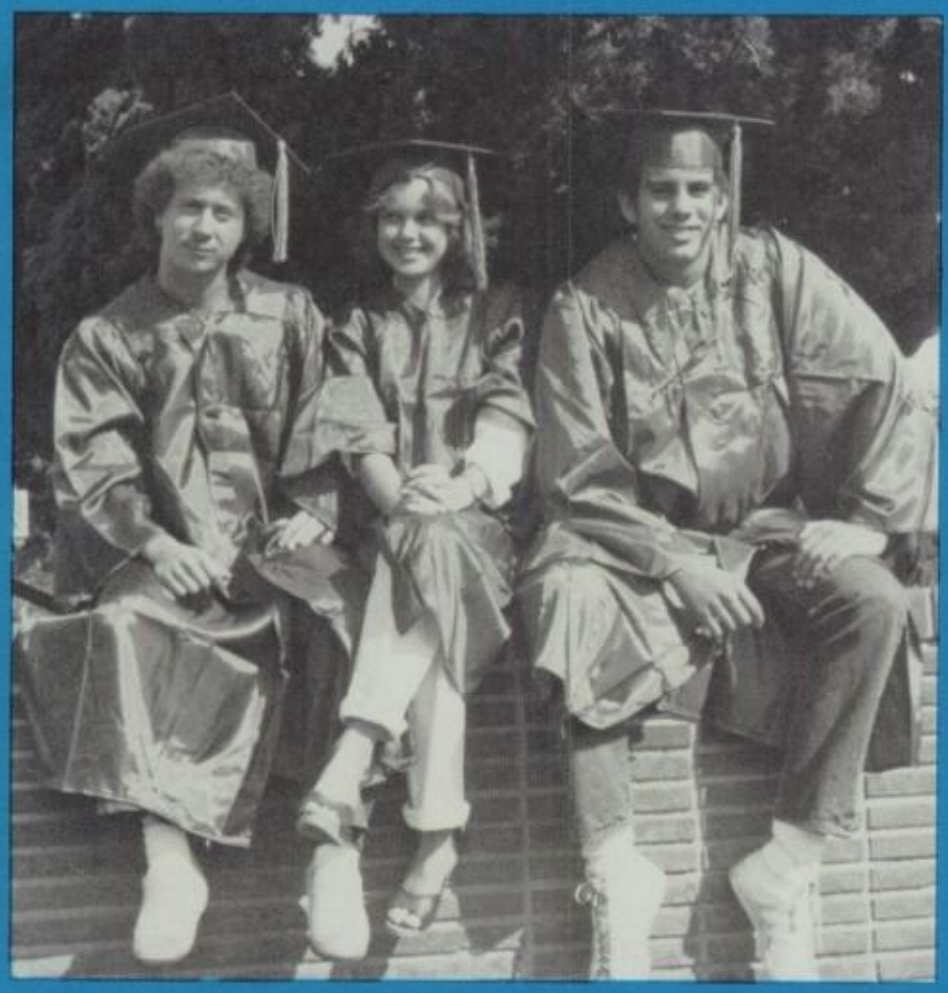
We've made friends for a lifetime

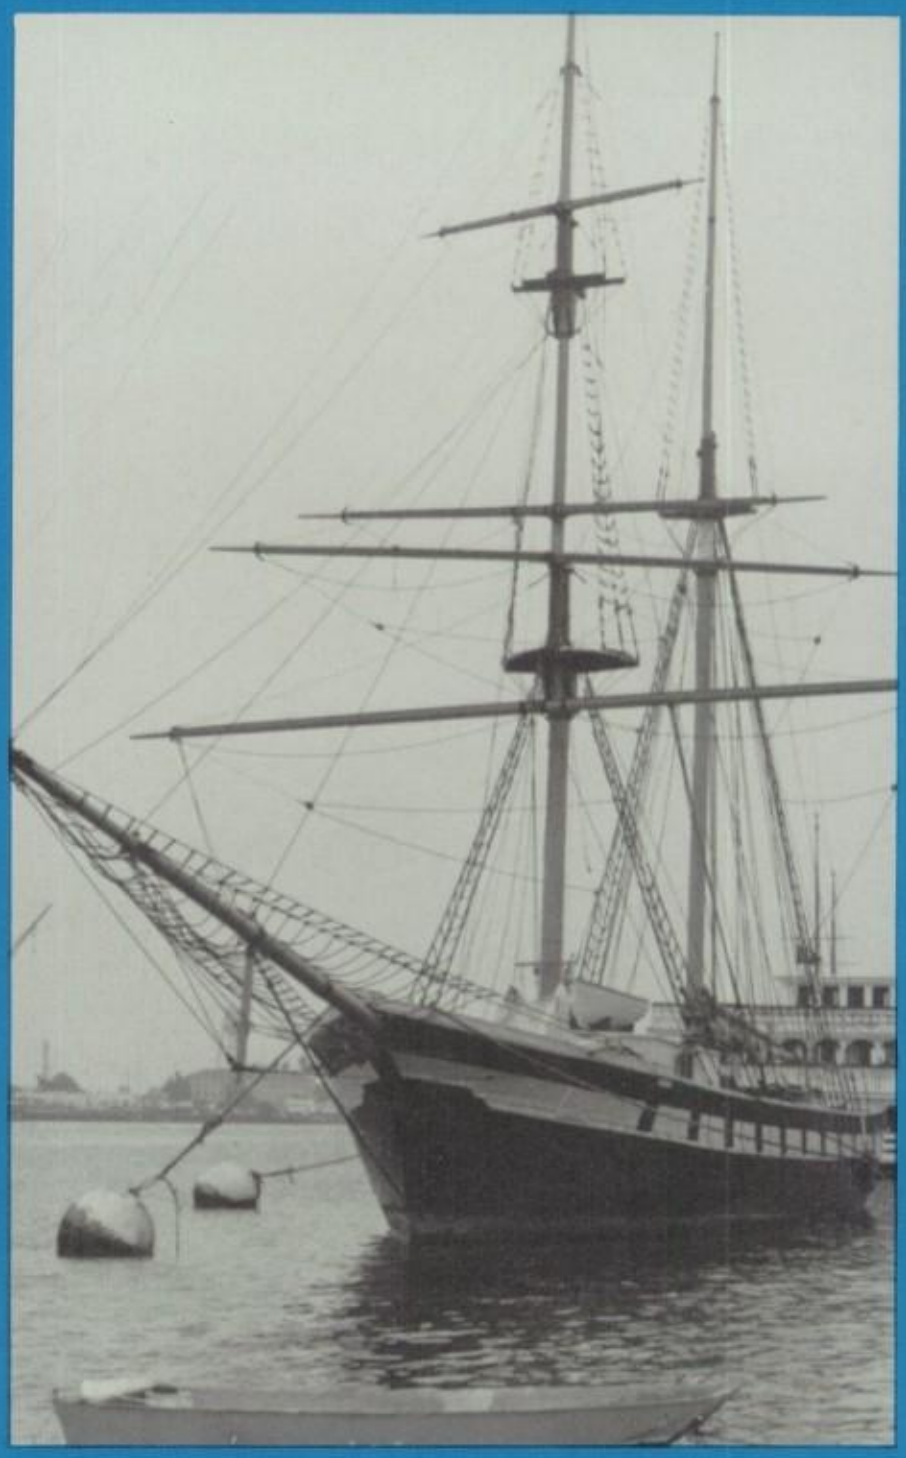
There will be moments of happiness

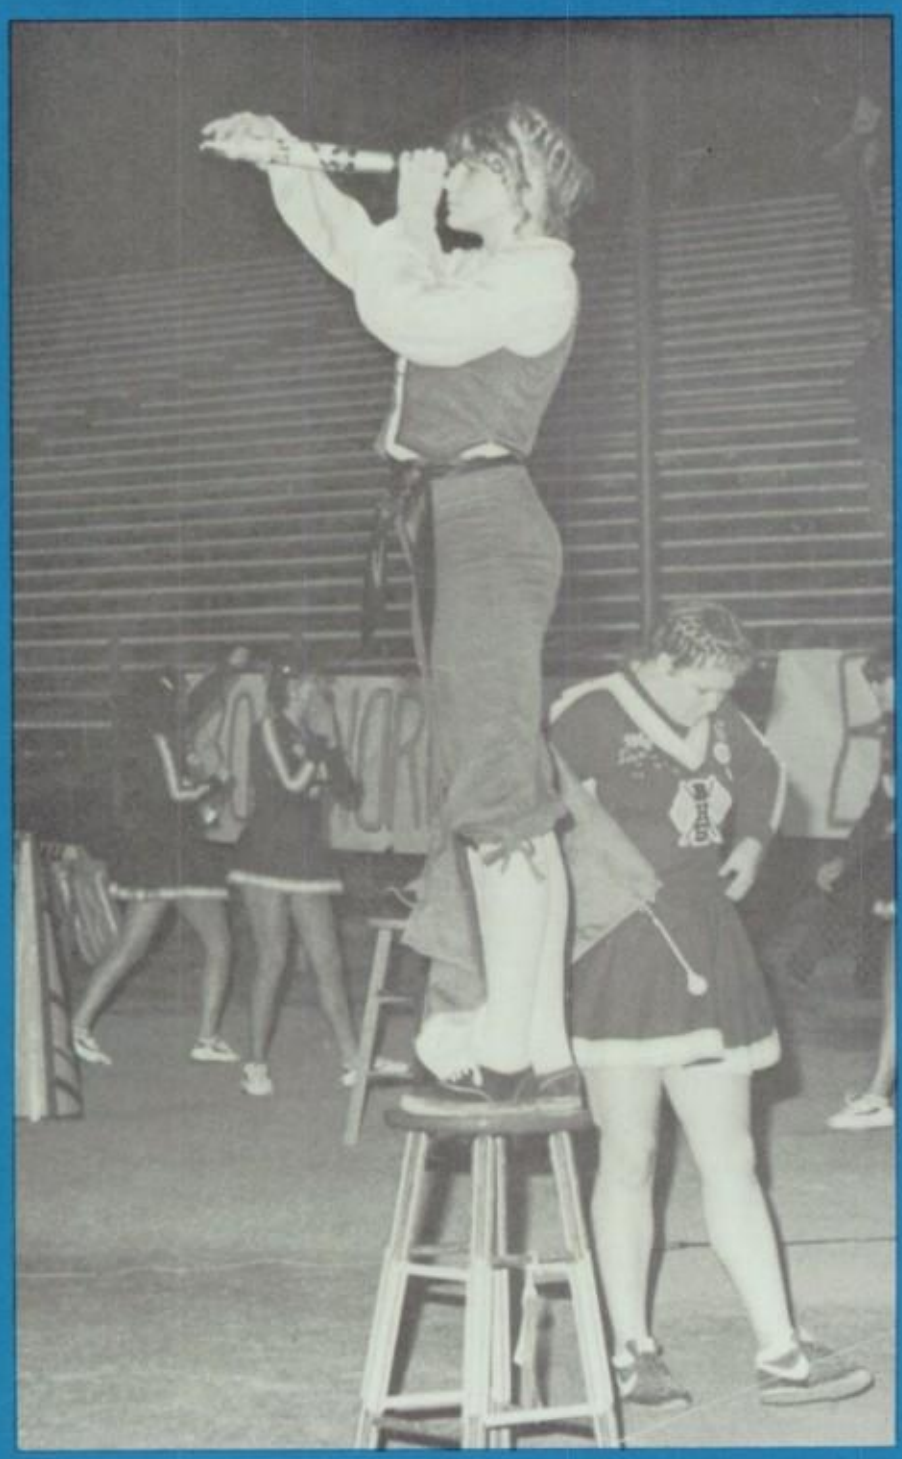
And encounters of strife

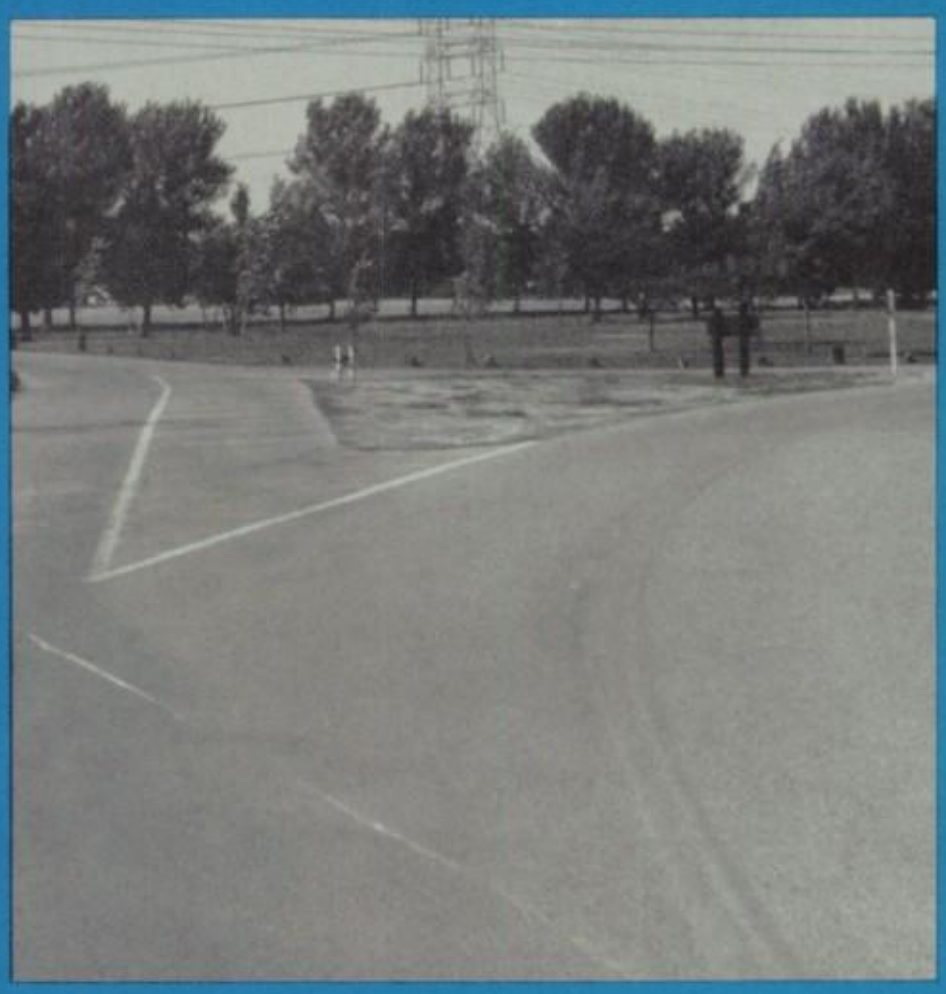


This outing
we're taking
is
the "Voyage of Life"

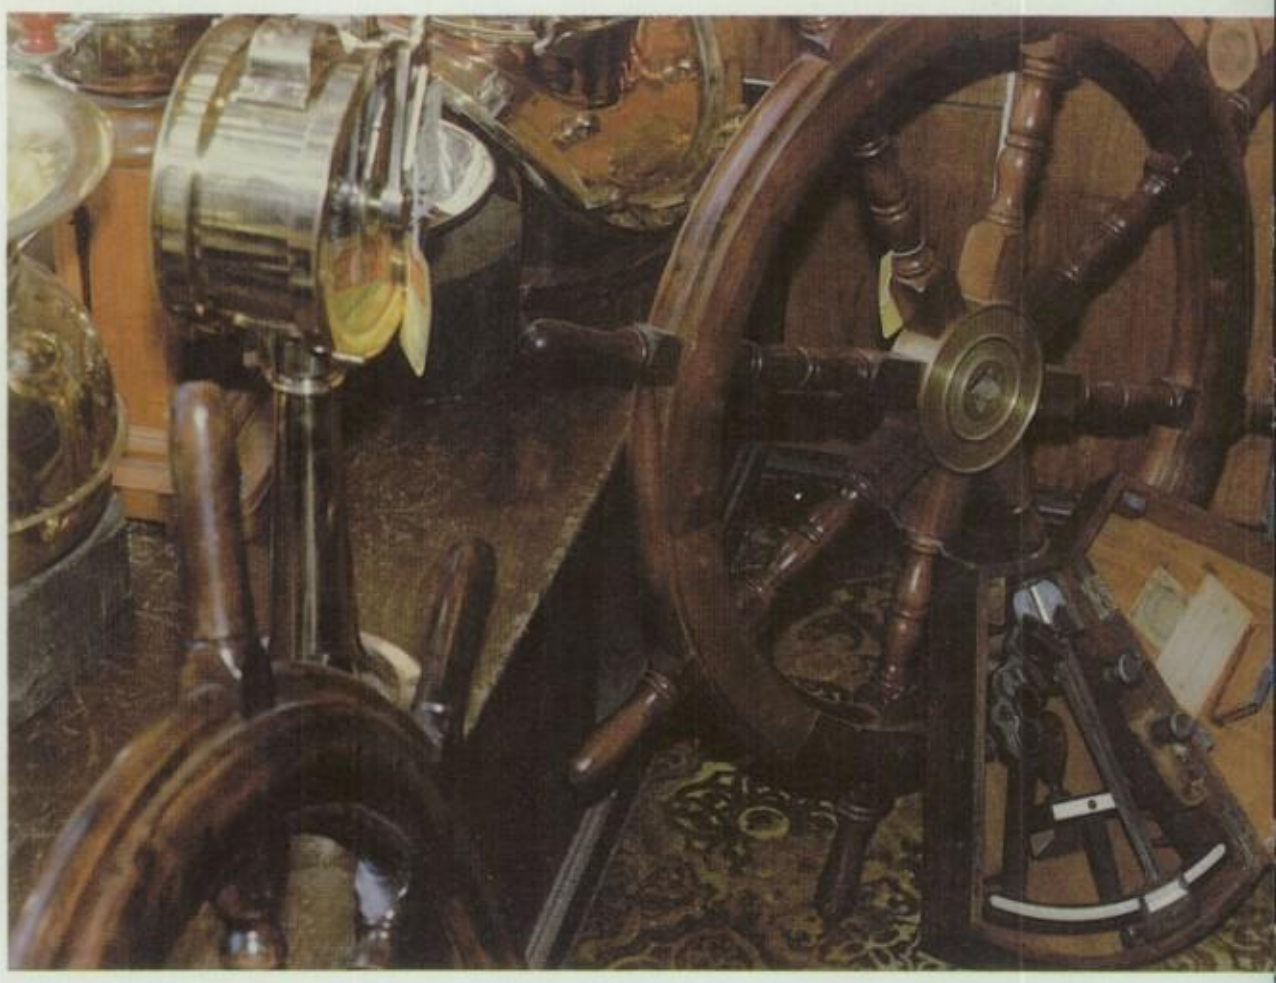




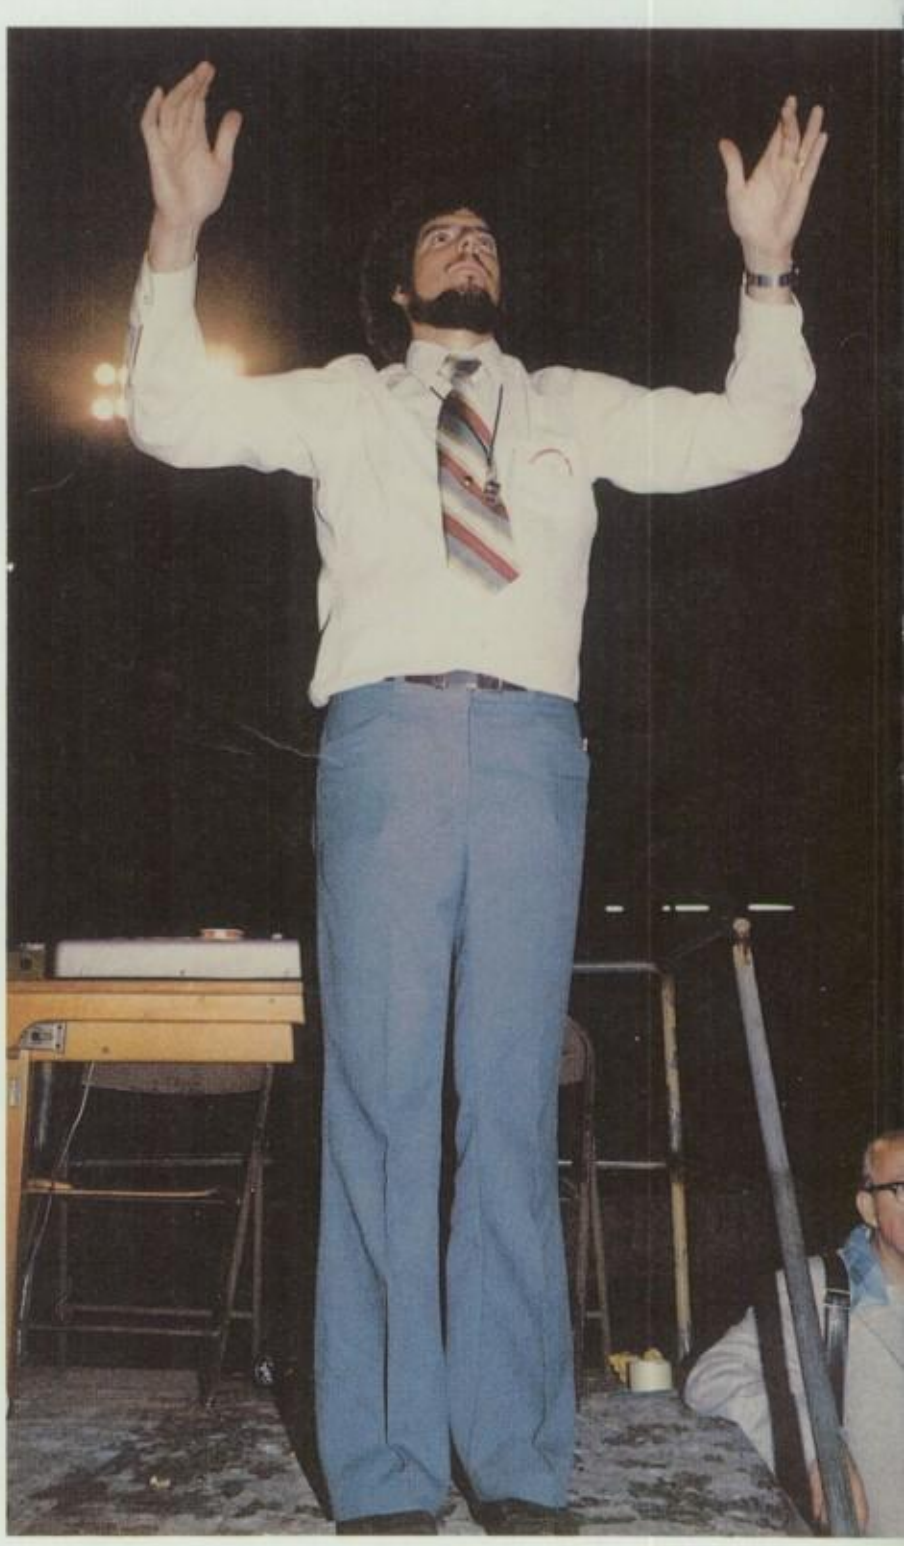


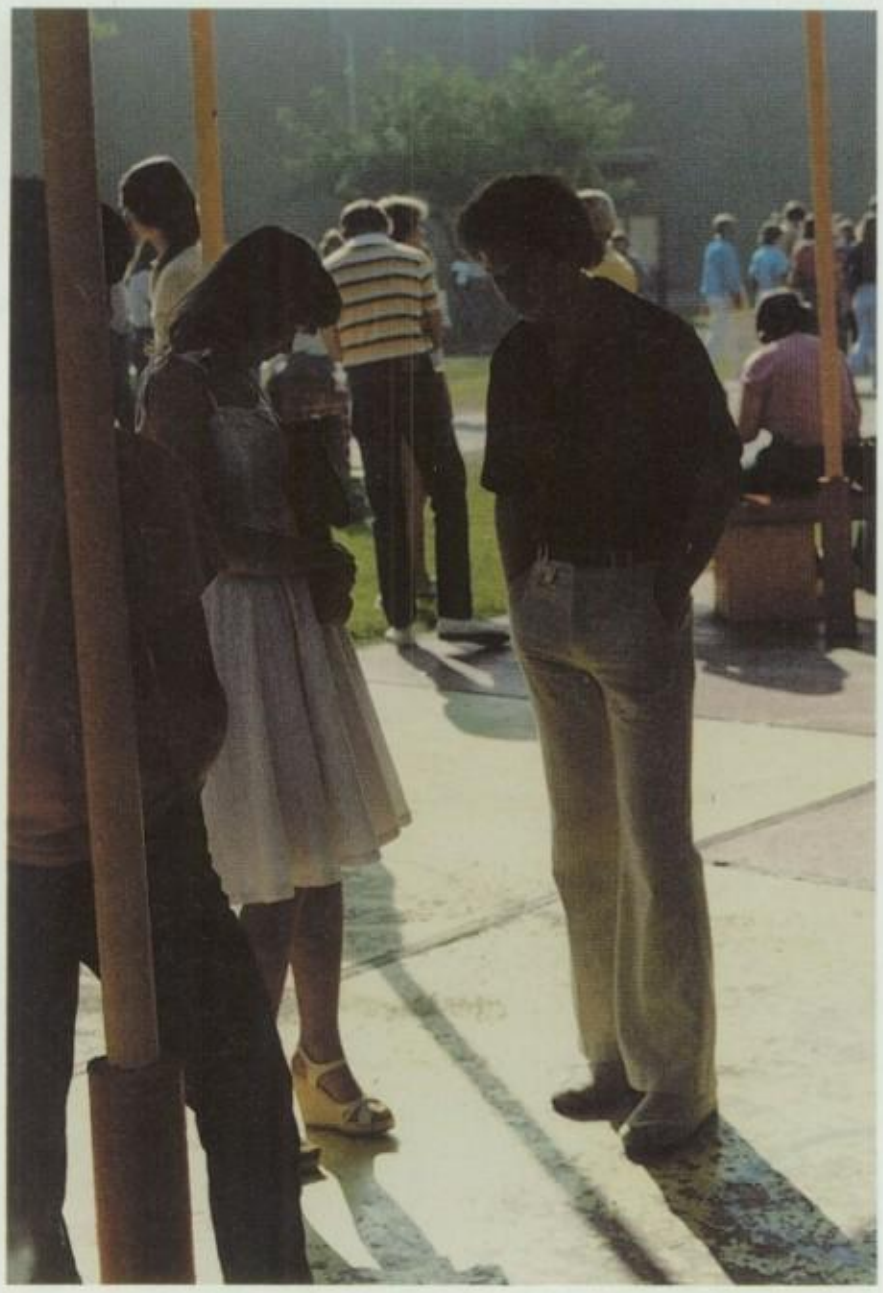


Our minds and souls
will be tried
on which route to take



Using stars, sextants
people or such
Situations and decisions
you'll have to make





Either you're the captain
or you're the crew
Depending on pressures
or duties at sea
This question at hand
is purely up to you
Bon Voyage
and

HOMECOMING NIGHT

Standing before a jam packed crowd at Buc Stadium, Kathy Reese was crowned 1980-81 Homecoming Queen during halftime of the B.H.S.-Glenn game.

A dazzling fireworks display and a 35 to 8 win over Glenn added a special touch to the evening.

Despite the three-day week, there were still plenty of things to keep the princesses busy. The activities included the annual ice cream social, the pizza hoot, the pretty boy and pie eating contests and new this year were the football toss and a celebrity basketball game. The week was drawn to an exciting conclusion with the parade and the crowning of princess Kathy Reese as Homecoming Queen '80-81.

On Campus Happenings

Assemblies and rallies have been good for Buc spirit this year. At the assembly against Mayfair, the pepsters put on a skit portraying the death of the Monsoons. Although attendance at football games was down this year, Buc pride still came through with great half time shows and good football. Lunchtime here at B.H.S. has been a little quieter. Due to unavoidable circumstances, we are not allowed to play the stereo anymore, so students find other ways of amusing themselves, such as frisbee and touch football.

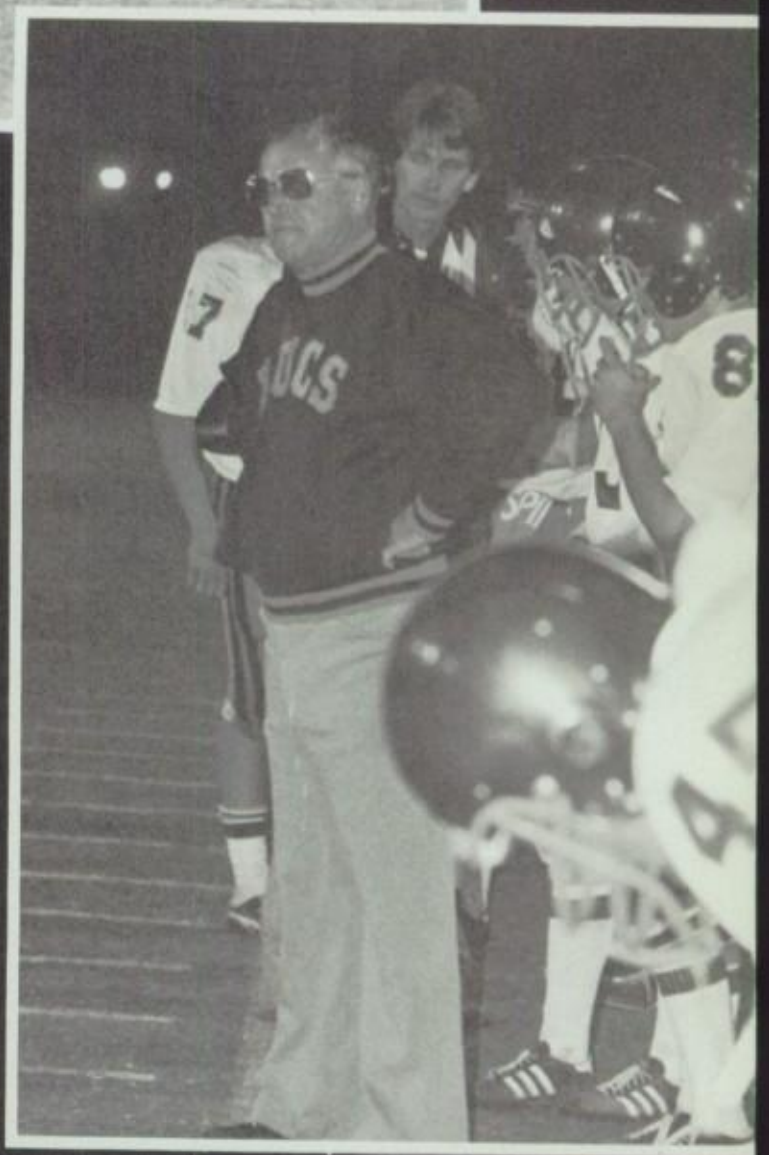
Varsity Football



Although everyone expected it to be, this was not the year of the Bucs. Instead, it was a year of finding out if Buc pride really exists. All the great Buc football teams of the past said they had Buc Pride as they went on to win most of their games. But, does Buc Pride exist when you lose your first five games? All of which were in Buc Stadium, including the humiliating loss to Mayfair. We knew we had to prove to ourselves and to everyone else that we were Bucs and that Bucs have pride. So we went to Arresia and beat the tough Pioneers 26 to 12. We finally felt the thrill of victory and Coach Odell drank his coke with a smile. But, the next week we were shocked by Neff 38 to 0. We couldn't understand how we could lose so badly after winning so decisively. We almost gave up. Instead, we held together and beat Excelsior. Suddenly, we had a chance to go to C.I.F. But, we had to beat La Mirada and hope they lost to Neff the following week. We took on La Mirada, but they beat us in the second half. We then had no chance for C.I.F. We had just one last game to play and that was Homecoming. We knew after Buc Circle before the game, that there was no way we were going to lose. We went out and destroyed John Glenn 35 to 8.

By looking at our record, people will label us losers, but we see it just not a winning season. We've set an example for all Buc football teams of the future on what Buc Pride is all about and that Bucs are never losers.

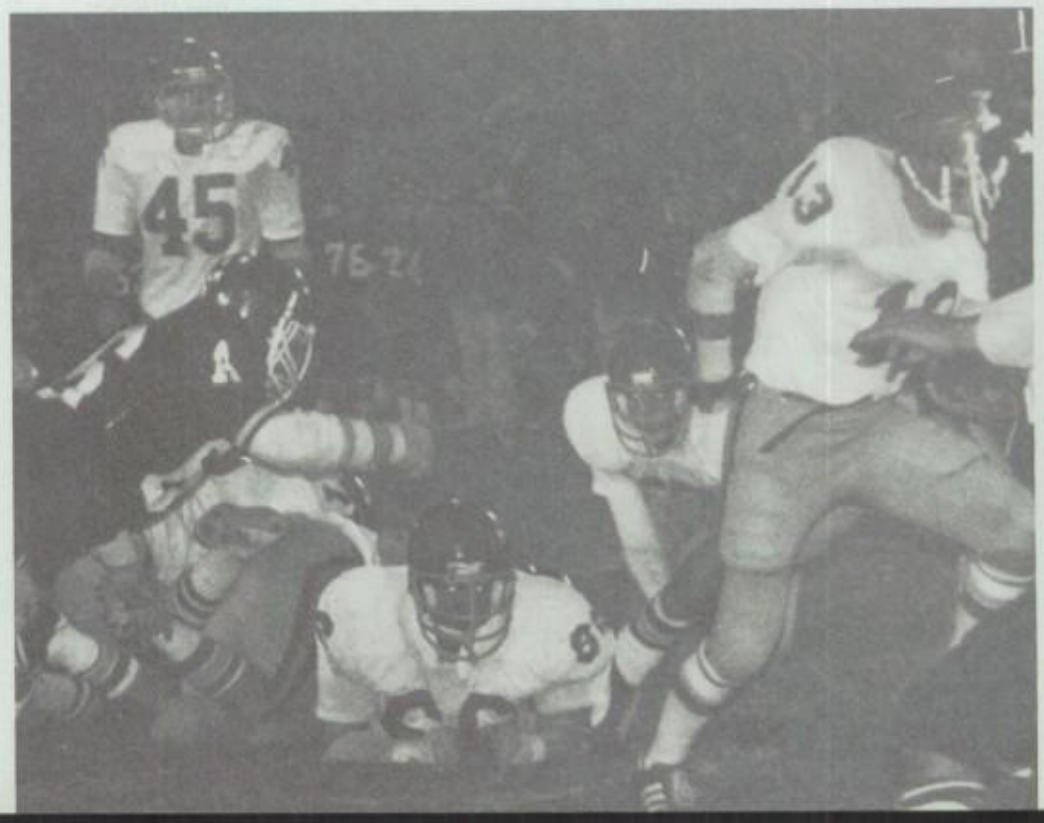
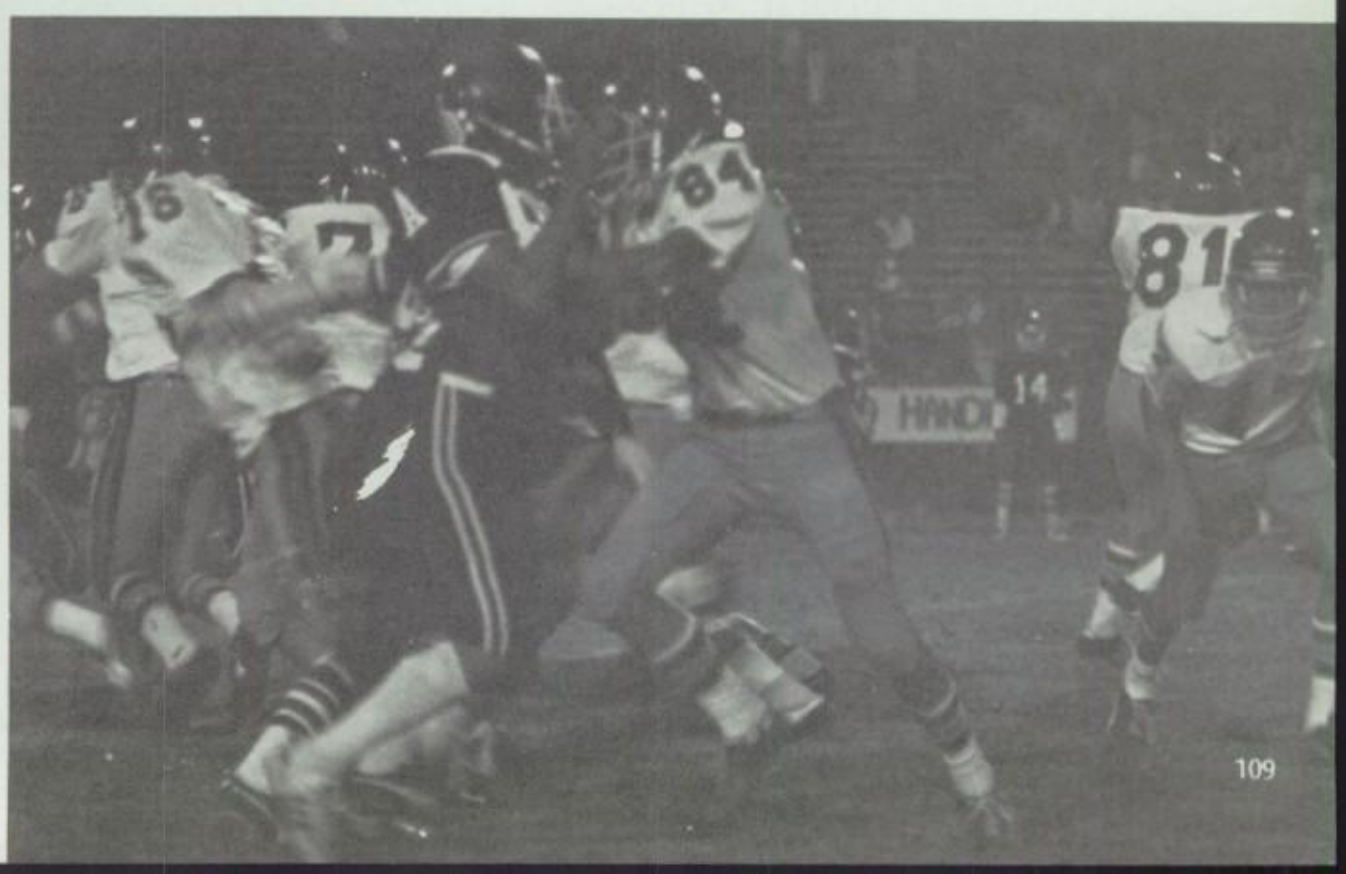
All-League Running Back, Tony McCord (30), sweeps with lead Blocker, Hector Zavala (61). McCord came within 15 yards of a 1,000 yards this season (top). The battle between Bellflower and Mayfair usually results in the team that wants it more. This year it was Mayfair (upper left.) Greg Jensen did all the punting and kicking for the Bucs (upper right). Glenn Wherzel (45), Don Mirchell (66), All-League Center, and Brad Kalic (67), watch as Tony Meyers (13) slips through the Artesia defense.





Robert Ratkay (52) blocks down field for running back Tony Meyers (13) (top). Dave Daniales (74) floors a John Glenn defender, but Ken Hefley (17) can see more coming (above). The Buc offensive line manhandles the Artesia defense (right, upper right.)

RAIDERS

Greg Jensen (20) executes a perfect tackle against the John Glenn quarterback as Mike Tippert charges in for final damages (right). Mike was awarded the team's "Lineman of the Year" trophy.

Glen Whitzel (45) "Raider of the Year"

Even though we had some problems this year, the Raiders were tough. We did very well against the run most of the season, including a couple of outstanding goalline stands. Our pass defense got off to a slow start, but the secondary came through with some tremendous efforts during our league play. Two more players joined the Buc "Mad Dog" Club this year, Wayne Bolt (43 points vs. Workman) and Greg Jensen (35 points vs. Mayfair). (below) Guy Chicos (41) and Don Mirchell (66) look on after burying an Artesia receiver.

ANGELA and TERESA

"Friends For Life"

Dedicated to all the crazy times we had together. Like:

hangin out of the bus when we did volleyball stats, causing havoc at "WENDY'S", hiding in the showers during PE, Painting each other instead of senior square and having yellow & red skin for a week, trying to pick up hitch hikers during driver's training, when Angela grabbed "a piece of the action" at CLOUD 9, dressing up as nerds, Teresa and her pickle, being crazy at the Laguna beach house, hiding behind the bushes when we were supposed to be jogging and coming in breathing hard, our parties, waving at strangers on the way home, Teresa and her jokes, Angela and her laugh!

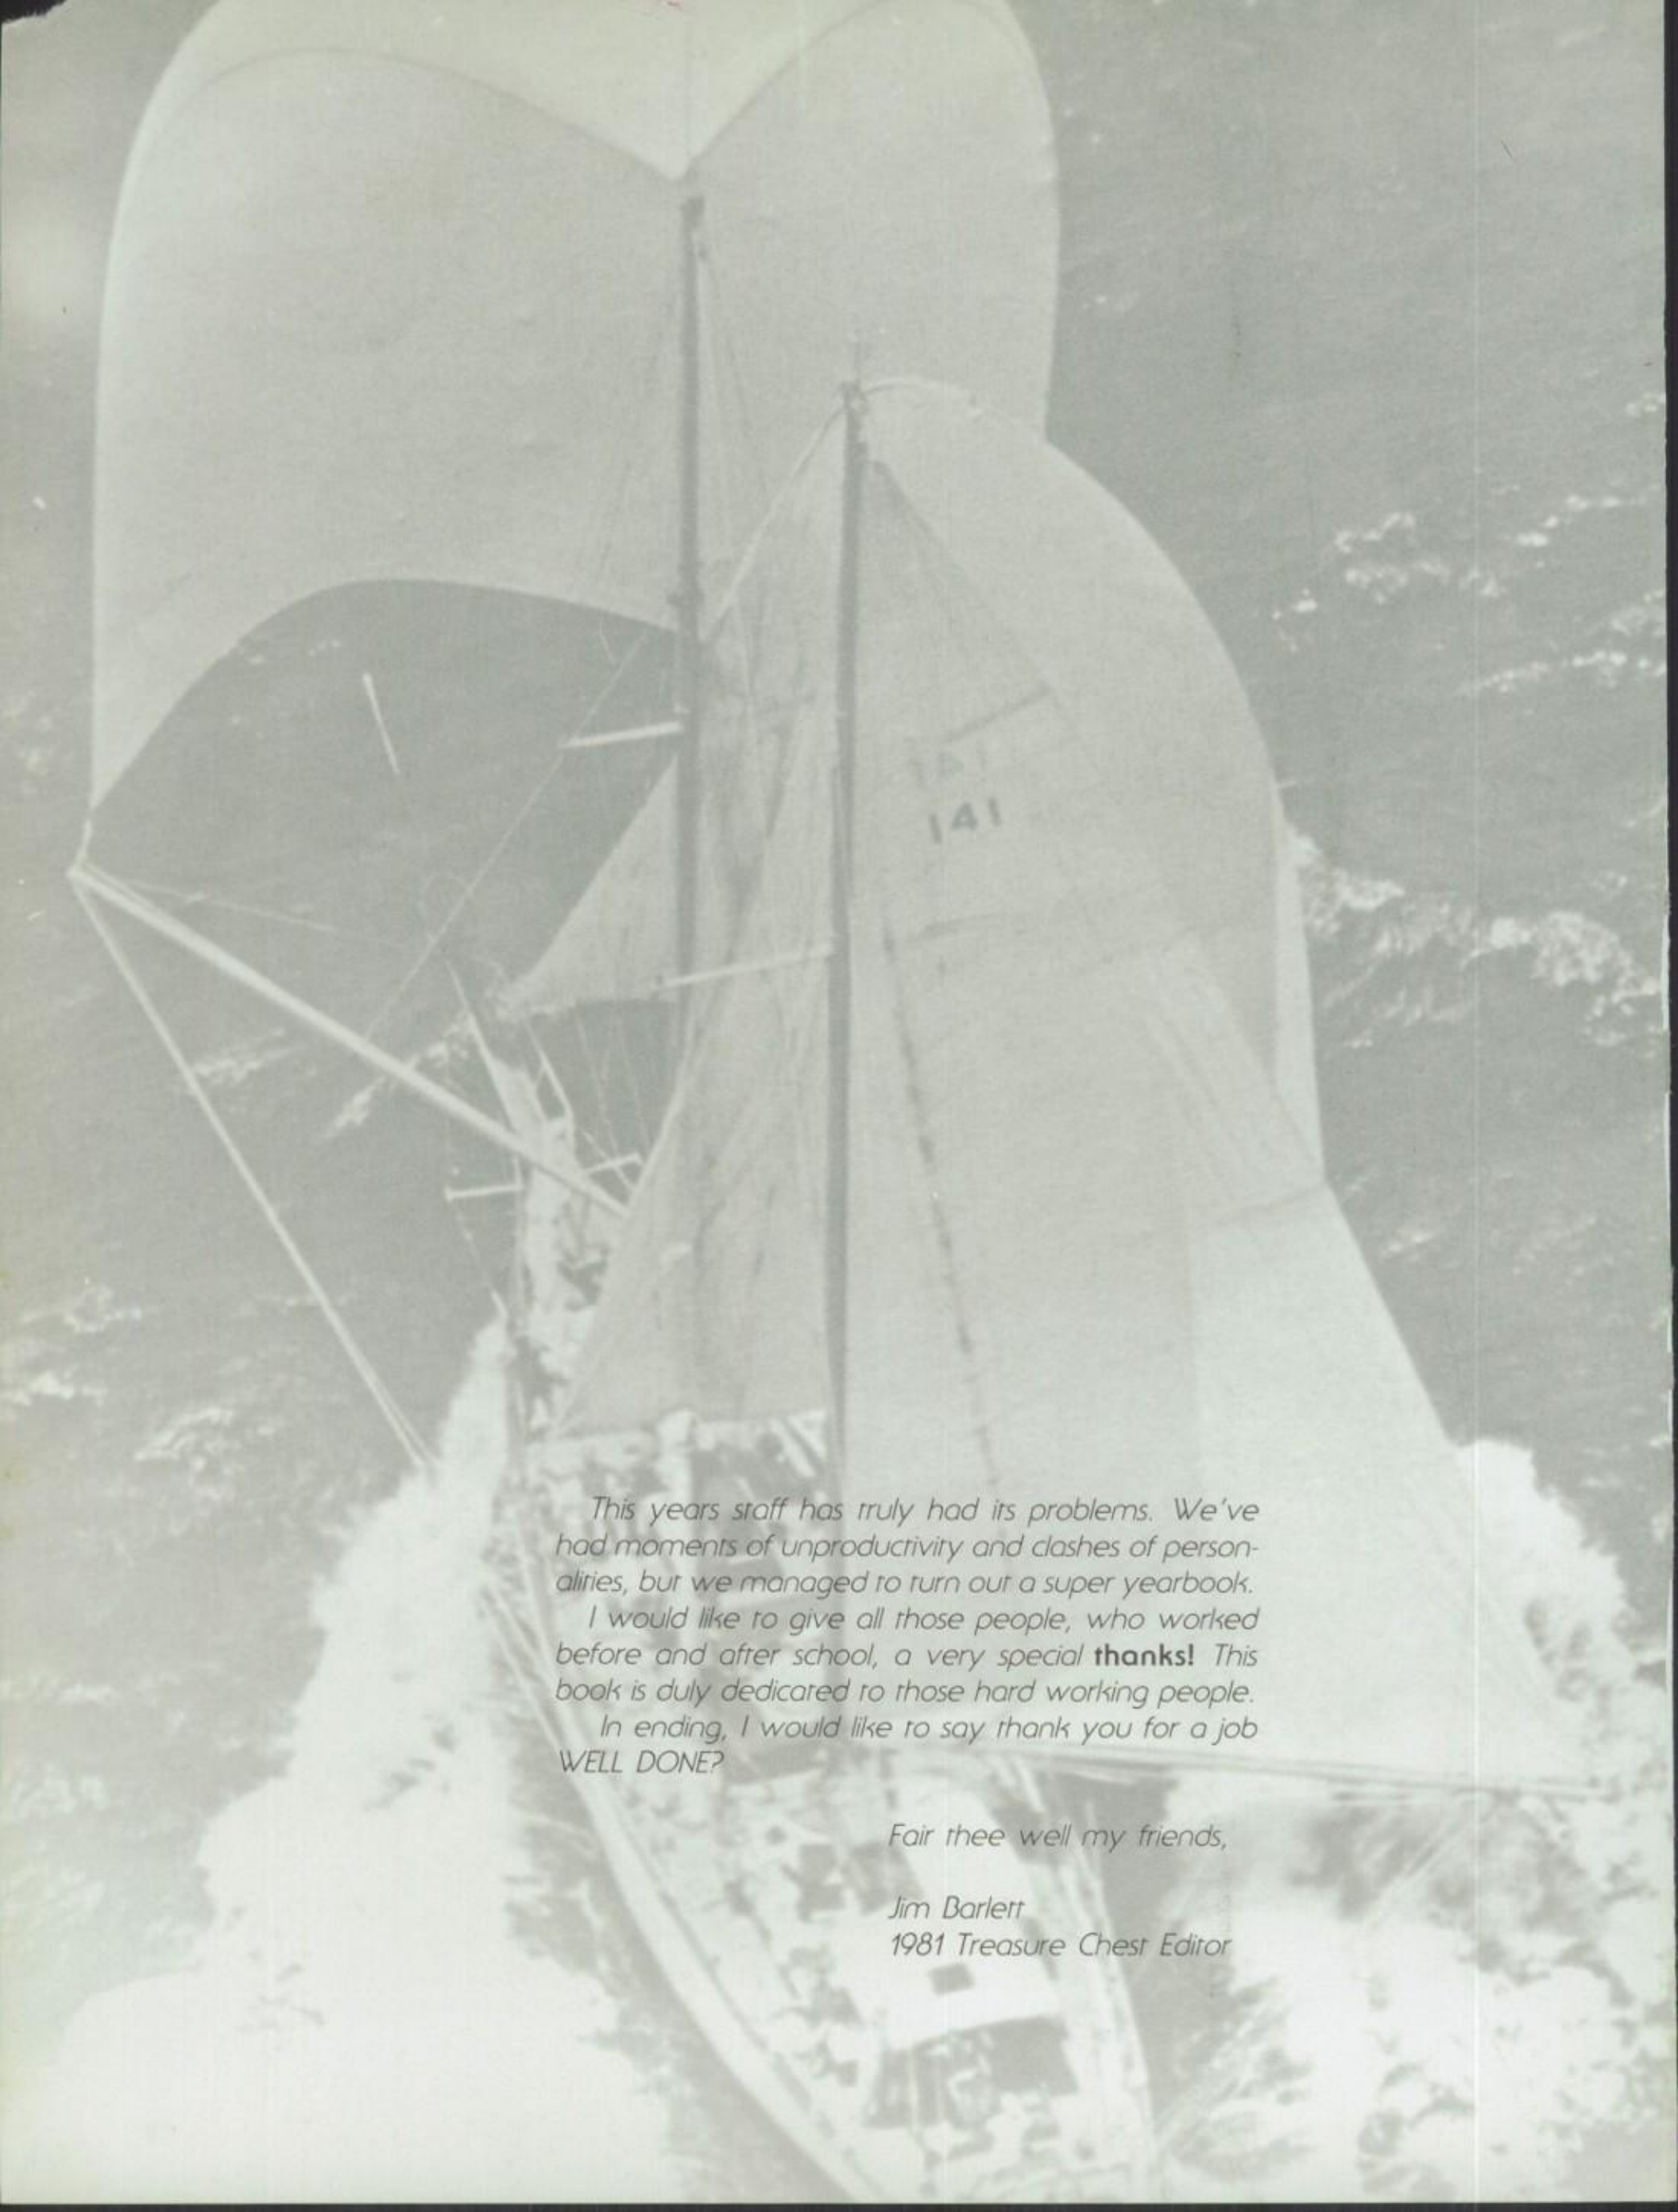
The Senior Class of 1981 would like to thank all the people who made our Senior year successful. A special thanks to Mr. Gaudet for all his help and guidance. More thank-you's are appreciatively said to, Dr. Trudy Clark for helping us on our way to college; Mark Avery for shooting W.S.F. Princesses and candids; Mr. Moore for putting up with this year's Annual Staff, and Mr. Merwyn Smith.

In closing, the Class of '81 would like to express our best wishes and sincere hope that the upcoming Senior classes have as many fond memories to take with them when they graduate from good old B.H.S. as we do.

Goodbye and Good Luck!

Dedicated by the Senior Class of 1981



This years staff has truly had its problems. We've had moments of unproductivity and clashes of personalities, but we managed to turn out a super yearbook.

I would like to give all those people, who worked before and after school, a very special **thanks!** *This book is duly dedicated to those hard working people.*

In ending, I would like to say thank you for a job WELL DONE?

Fair thee well my friends,

Jim Barlett
